Any parishioner may add a family member or close friend to the parish prayer list. If you wish to do so, please email the first name (and last initial if you wish) to keonexpats@yahoo.com with a note that says, "please add to the prayer list."

Names are added to the list each Friday for all emails received by Thursday at noon.

Note: names will normally be left on for 1 month, except in the case of extended illness of which we are aware. If a name is taken off and you wish it returned you will need to email again
